Work Schedule: Monday-Friday 7:45am -5:00pm with work required assigned facilities check weekend and July 4 Holiday.

Compensation/Salary Range: \$6,120.00 - \$8,827.00 commensurate with experience.

Housing Available

The mission of the Boothbay Sea and Science Center is the advancement of sailing, boating and ocean sciences by minimizing economic and physical obstacles and further to develop independence, self-confidence, teamwork and volunteerism in the participants. To inspire individuals to strengthen themselves and their community through the enjoyment of the sea. BSSC vision is a community sailing and science education center that offers equal and affordable access to waterfront activities for youth through sailing programs and experiential learning activities not typically provided by other regional organizations.

The BSSC is recruiting Sailing Instructors who have proven skills working with youth of all ages, sailing experience, a strong work ethic, and love of teaching sailing skills that promotes safety while having fun. The ideal candidate should be self-motivated, feel comfortable on the water teaching others, have a strong sense of responsibility to others, and a willingness to be a team player. This position is responsible for hands-on experiential learning activities in boating, sailing and an interest in marine sciences. Sailing Instructors spend long days planning and teaching in a unique environment that takes advantage of the vast resources that the Boothbay Region has to offer.

General Duties and Responsibilities

- Reports to the Principal Waterfront Instructor.
- Responsible for understanding and implementing BSSC policies, guidelines, procedures, and related curriculum outlined in the BSSC Staff Handbook.
- Ability to teach technical sailing and safe boating skills including but not limited to, weather observation and forecasting, sail trim, helming/piloting, navigation, tides and currents, and VHF radio communication;
- Good communication skills on and off the water including appropriate technical sailing, boating, and science terminology.
- Participates in all required meetings including daily staff meetings and BSSC community and family events (weekends when applicable).
- Responsible for maintenance and repair of boating, sailing, and science equipment as directed.
- Maintains a safe, organized, and clean work environment on all dock, in all classroom, and surrounding recreational areas.

- Manages BSSC dock, at least one weekend during the summer program, beginning Friday afternoon at 4:30 and ending Monday morning at 7:45.
- Collaborates on and contributes to the weekly article for the BSSC column in the Boothbay Register (local newspaper).
- Promotes teamwork, good stewardship of the ocean and citizenship while fostering the love of the sport of boating, sailing, and the curiosity of science.
- Participates in the post-season decommissioning as directed.

Minimum Qualifications: All qualifications are required at time of employment

- Age 18 at the start of the summer program
- Sailing experience
- Experience working with and/or teaching youth of all ages
- SafeSport Certification: www.ussailing.org
- Boaters Safety Course National Association of State Boating Law Administrators: www.boatus.org/maine/
- Current CPR, First Aid and AED Certification *

Highly Desirable Qualifications:
